Timeline

- 2015 March 3rd
Kenny The Dog was born and became the inspiration for most of these books because of his extreme cuteness
- 2023 July-August
Keira Savin was 16 when she create the story of â??Vets Like Usâ?• based on her dogâ??s visits with veterinarians for a media arts course. She also drew the images and started some digital versions (which are not the ones used in the newest version of the book).
- 2024 March-August
Keira Savin, the author of Vets Like Us, drew and then submitted pictures to **P.M. Powered** to create digital images for each page. Each image is comprised of over 70 merged layers on â??Kritaâ?•
- 2024 July-August
Keira Savin, the author of Dr. Mapleâ??s Clinic for Everyone compose the story and revised it daily for 2 months. She drew sketches for each image that she wanted us to create for each page.
- 2025 January â?? December

Started the first draft for "The Poodle Thief" and revised it over 38 times. Also created the book cover using over 160 merged layers in "Krita".

- 2025 April - December

Completed 32 digital images using "Krita" to illustrate Dr. Maple's Clinic for Everyone. Each image is comprised of over 40 layers merged together.

- Today

Working hard to finalize the e-book, paperback and audiobook versions of "Keira Wilde and the Poodle Thief".
